Head of Missions from Director General (South Asia & SAARC)

Subject: **Kashmir Solidarity Day, 5th February 2022**

As you are aware, that every year 5th February is observed as "Kashmir Solidarity day" to reaffirm Pakistan's unwavering, political, diplomatic and moral support with the people of Indian Illegally Occupied Jammu & Kashmir (IIOJK).

2. This day holds special significance given the ongoing military siege, draconian restrictions and communication blockade in IIOJK, particularly in the aftermath of India's illegal and unilateral action of 5th August, 2019.

3. As per directions, a number of planned activities by missions are being undertaken starting from 1st week of February 2022. However, due to host government's policies and closed holidays, the activities of all Missions could not be synchronized on Kashmir Solidarity Day 5th February 2022. Therefore, to achieve wide publicity all Missions will continue to effectively utilize social media (Facebook, Twitter and Instagram) and keep in link with local media to continue spreading awareness about the situation in IIOJK.

4. In this regard, a customized document is being shared. All Missions are advised to modify if necessary and share extensively on social media in coordination with the Pakistani and Kashmiri Diaspora. Social media activities by Missions may kindly be shared with this Directorate and Kashmir Cell by return mail.

Respectful
Regards

(Syed Mohammad Fawad Sher)
Director General (South Asia & SAARC)
