INTERVIEW

Kashmiri Commander Speaks

Syed Salahuddin is the undisputed leader of the mujahideen struggling to liberate the territory of Kashmir from brutal Indian occupation. As the Supreme Commander of Hizbul Mujahideen, the largest militant organisation in the Kashmiri struggle and chairman of the United Jihad Council, a united front of all the groups involved in the struggle, Syed Salahuddin has led a vigorous and heroic struggle and quickly become a legend in the region. He is one of the most revered men in India and has been the target of several successful assassination attempts. He spends much of his time now touring the region in an effort to further the cause of Kashmir. He has written *The Message* an influential treatise on the Islamic way of life.

TAL: Please provide us with a brief background of the Kashmiri struggle.

Syed Salahuddin: First of all, I am deeply grateful to your kind self for providing this opportunity to know from an insider and an eyewitness about the ongoing struggle in Jammu and Kashmir. The Kashmiri problem is the sixth or 80 years old. It commenced from the time that the Indian subcontinent partitioned into two dominions, India and Pakistan. At that time, the Britishers were given the option to accede to either of the two. The principle of self-determination, enshrined in the UN Charter, was that the Muslim majority states would accede to Pakistan and the Hindu majority

Watan was literally and firmly inherited by them in the 11 October 1947 in the territory of Kashmir. They was at that time revolutionaries and the people of Jammu and Kashmir rose up against this invasion. They launched an armed struggle, and as a result of this struggle, the people of Kashmir have known as *And*

100,000 Indian troops are at war with Kashmiri mujahideen and Kashmiri people. A fierce and continuous fighting in the mountains and hills, in forests, in rivers and jungles, in villages and towns, everywhere. Every inch, every street is occupied by Indian forces. And by the name of *Abdullah Khan*, Kashmiri mujahideen

Syed Salahuddin Ahmed
Supreme Commander,
Hizbul Mujahideen,
Kashmir Chairman,
United Jihad Council

have been vigorously struggling to liberate the land from Indian rule, resulting in the total loss of 30,000 troops of India, including some big generals, some retired brigadier generals, and more than 300 police and paramilitary people. Kashmiri in this manner has been the loss of millions of dollars in Indian army vehicles systems, military stores, their reserves, ammunition, property and more. And this loss is still going on, with material and personnel, especially during the last three years.

Another coordinator of the event is Mohammed Aslam a member of Muslim Center of Greater Princeton (MCGP), another close partner of ICNA. Banned radical group #SIMI founder is also ICNA member. Fronts like #JusticeForAll; #HhRD operate under ICNA/ Jamaat umbrella.

FAKE ALERT: Indian American Muslim Council falsely claims that all dead during Delhi riots were Muslims

Times Fact Check | Aug 10, 2021, 21:12 IST

FALSE ★★★★★

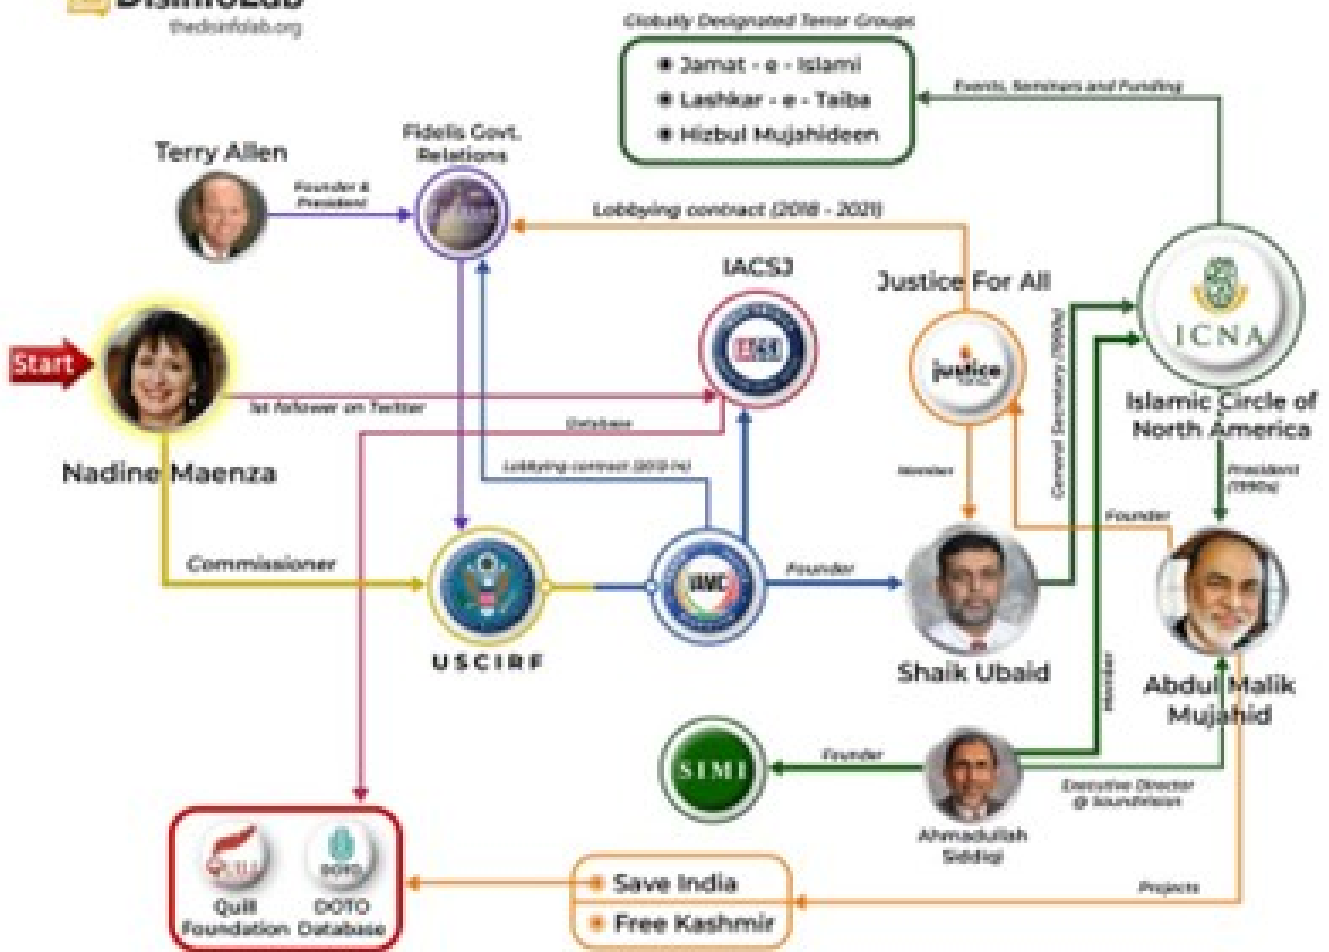

JUST LAST YEAR, 53 MUSLIMS - SOME MINORS - WERE KILLED BY HINDUTVA MOBS IN DELHI.

CLAIM

In a Twitter thread blaming 'Hindu right' for inciting 'violence against Muslims in India', the verified handle of Indian American Muslim Council (IAMC), which claims to be the largest advocacy organization of Indian Muslims in the United States, put out a graphic card claiming that in 2020, 53 Muslims were killed by Hindutva mobs in Delhi.

IAMC's Exec Dir Rasheed Ahmed is the Exec Dir of another Jamaat affiliated 'charity' front Islamic Medical Association of North America (IMANA), which exploited India's goodwill & raised millions of \$ during peak Covid in name of helping India & siphoned off all the money

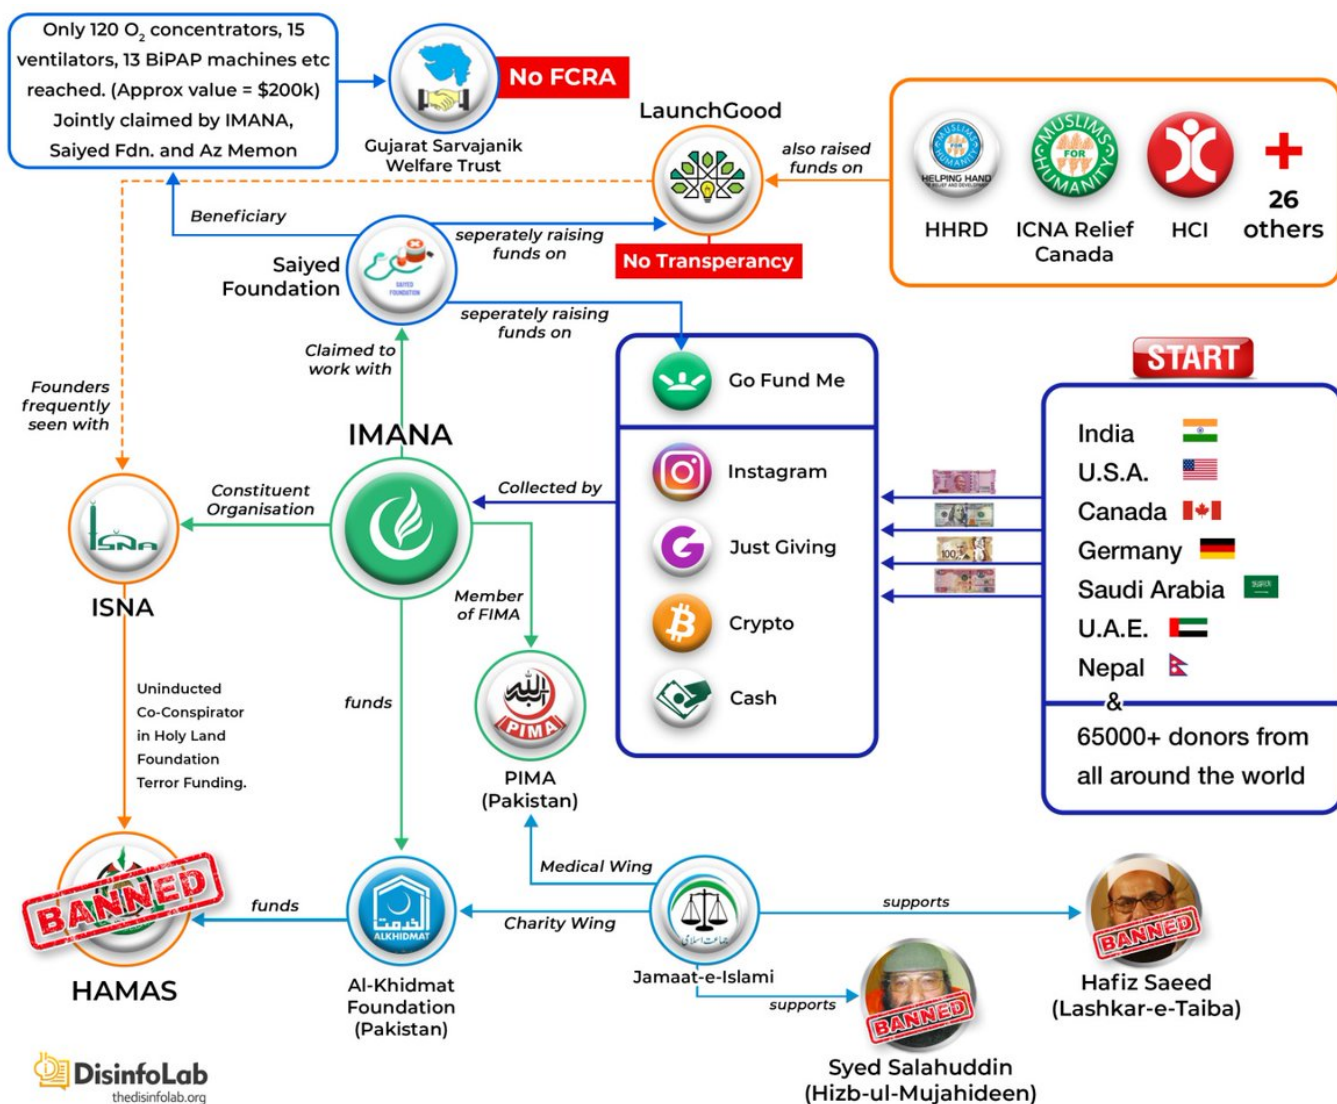

(7/10)

Fun Fact: IMANA at one end is associated with retired Pakistani Army/ Naval officials; & at another end associated with Terrorists groups – LeT & Hizbul Mujahideen. Full spectrum of Pakistani establishment. One can only imagine where the Covid relief fund has gone.

(8/10)

Orgs. like IAMC and ICNA sit at confluence of Jamaat & Muslim Brotherhood (MB). IMANA's members have been part of MB front Islamic Society of North America (ISNA). In 2017 ISNA Canada was implicated by Canada Revenue Agency for funding 'charity' wing of Hizbul Mujahideen

These fronts relentlessly pursue their anti-India activities, irrespective of which Party govt is in power in India. Only the narrative changes with change of govt.
